

Science key knowledge to be transferred to long term memory

	As scientists we will learn:	Building on previous knowledge and skills, you will remember:
	A habitat is a place where plants and animals live.	In Reception, you learnt that birds live in nests on the school field and looked at how they are different.
	Animals can eat plants and other animals.	In Year 1, you learnt that a food chain starts with a plant and ends with an animal.
	Land habitats include forests, deserts, towns, grasslands, and mountains.	In Year 1, you learnt that some snails live in our gardens.
	Water habitats include rivers, ponds, seas, oceans and streams.	
	Humans need a balanced diet of fruit, vegetables, carbohydrates, protein, dairy and fats, and sugars.	In Year 1, you learnt to make healthy dips using vegetables as part of a balanced diet.

Key Vocabulary		Home Learning
living	Anything that is alive.	You might like to visit the BBC Bitesize website for more information about living things and habitats: https://www.bbc.co.uk/bitesize/topics/zx882hv
once-lived	Something that used to be alive but is no longer living.	
never-lived	Something that has never been alive.	
exercise	Moving your body to stay fit and healthy	
hygiene	Keeping clean	

Computing key knowledge to be transferred to long term memory

	As computer operators we will learn:	Building on previous knowledge and skills, you will remember:
	The easiest way to search the internet is using a search engine. The search engine scans the internet looking for answers to your search.	In Year 1, you learnt how to use a search bar on your 'Work Area' on Purple Mash.
Key Vocabulary		Home Learning
search engine	Helps you look something up on the internet.	 You might like search '2Paint a Picture' to use a template or create your own piece of artwork on PurpleMash.
template	A model that you can copy and use yourself.	
palette	Different colours or shapes.	

PSHE Key knowledge to be transferred to long term memory

	We will learn about:	Building on previous knowledge and skills, you will remember:
	Stable, caring relationships are at the heart of happy families.	In Year 1, you learnt that families give love, security, and stability to children in the Amazing Me topic.

Design and Technology key knowledge to be transferred to long term memory

	As designers we will learn:	Building on previous knowledge and skills, you will remember:
	Food can be sliced or diced by using a claw method which involves curling your fingers together into a claw shape.	In Year 1, you learnt to use the bridge method for cutting circular foods.
Key Vocabulary		Home Learning
diced	To cut into small cubes.	You might like to visit BBC Bitesize to learn about different kitchen tools that can be used for cooking: Choosing kitchen tools - KS1 - BBC Bitesize
sliced	To cut into thin pieces.	

Music key knowledge to be transferred to long term memory

	As musicians we will learn about:	Building on previous knowledge and skills, you will remember:
	Hands, Feet and Heart was inspired by a type of South African dance music called 'Kwela'.	In Year 2, you learnt another song 'Listen to the World Around You' written by the same composers.
Key Vocabulary		Home Learning
Kwela	Street music from South Africa.	You might like to listen to The Basement Boys play 'Kwela Bafana' The Basement Boys - Kwela Bafana (1957) (youtube.com)
structure	The order the song is played in.	
dynamic	The different volumes in a piece of music.	

Physical Education key knowledge to be transferred to long term memory

	As athletes we will learn about:	Building on previous knowledge and skills
	Direct pathways are created by moving in a straight line. Indirect pathways are created by moving in curved lines such as circular, semi-circular or spirals.	In Reception, you learnt to move in different directions and shapes using high and low levels.
	Dribbling is being able to move a ball while staying in control of it. Football, basketball and hockey use dribbling to keep the ball from the other team's possession.	In Reception, you learnt how to push a ball along the ground with a bat and pass it to a partner while playing hockey.

Religious Education key knowledge to be transferred to long term memory

	We will learn about:	Building on previous knowledge and skills
	Muslims believe that humans should take care of the world because Allah created it. Allah has ninety-nine attributes.	In Year 1, you learnt that Allah is the one and only God in Islam.
Key Vocabulary		Home Learning
Allah	The one and only God in Islam.	You might like to learn about The Islamic Story of The Prophet and the Ants and The Crying Camel through watching the video on this website: https://www.youtube.com/watch?v=_bN7KIMmwlc&scrllybrkr=cec6c6c6
attributes	Characteristics given to a person such as loyal, honest, caring or hard-working.
