	Kirton is our local area. Kirton Primary School, the Co-op and Kirton Best Kebab are all in our local area.	In Year 1, you went on a walk around Kirton to see the local shops. You saw the Co-op, Kirton Kebab and Kirton Flower Shop.	Where Does Our Food Come From?		Sunlight, warm weather and rain are all important for crops to grow.	In Year 1, you learnt that runner beans need sunlight and water to grow.
	Food can be one of the three Fs: - fresh - frozen - fast	In Year 1, you identified fruits and vegetables and dairy products on the Eatwell plate.			Around Kirton there are lots of fields so lots of crops are grown in our area. Potatoes, cabbages and cauliflowers are grown in our local area.	In Year 2, in term 2, you learnt that potatoes grow below the ground.
	Food comes from either plants or animals. Food is either fresh or processed.	In Year 1, you used fresh foods to make dips and dippers.			Food can come from different animals. The Red Tractor symbol shows milk and dairy products have come from animals that have been treated well.	In Reception, you learnt that eggs come from a chicken and pork comes from a pig.
	There are different stages of food production. It usually starts with a farmer and ends up in shops to be bought.	In Year 1, you planted your own vegetable seeds and harvested these.			England is split up into regions. In England, there are nine regions.	In Year 1, you learnt that Kirton is in England.
	Foods grow on the ground, below the ground and above the ground. Potatoes grow below the ground and apples grow above the ground.	In Reception, you planted seeds to grow cress which grew above the ground.			Countries and regions have traditional foods because the ingredients may grow well there. Shortbread is a tradition food from Scotland. Cheddar cheese is a traditional food from Somerset.	In Reception, you learnt that a lobster and dumplings are traditional food for Chinese New Year.
